PART IA - AIR MILES LATITUDES PROGRAM

(A) APPLICATION

(1) This program applies solely over the scheduled passenger services of BA.

(2) Participation is available to all U.K. residents.

(3) This program does not extend to any employees of BA or their families when travelling on travel industry rate or other tickets nominated by BA in its absolute discretion.

(4) This program will not apply to any territory where it is prohibited by law and BA shall not be liable for any failure to issue vouchers to persons in any places nor for the inability of any such person to redeem such vouchers.

(B) AIR MILES LATITUDES PROGRAM TERMS AND CONDITIONS AND MILEAGE ACCUMULATION

(1) For the purpose of these terms and conditions, "Latitudes Air Miles" means Air Miles issued on behalf of BRITISH AIRWAYS PLC ("BA") through the Air Miles Latitudes program. Air Miles are those Air Miles issued through the general Air Miles scheme.

(2) BA reserves the right to change the terms and conditions relating to the issue of Latitudes Air Miles including, without limitation, changing the mileage earned on each flight or mileage earned on each journey required to obtain a particular reward.

(3) BA reserves the right to terminate its involvement in the Air Miles Latitudes program without notice. Such a termination may relate to the right to redeem Latitudes Air Miles as well as to accrete them. BA may at any time impose a time limit upon the validity for redemption of any Latitudes Air Miles issued on behalf of BA through the Air Miles Latitudes program. Such limit may be amended at any time by BA in its absolute discretion.

(4) Only one enrollment per individual is accepted in the Air Miles Latitudes program. On enrollment an applicant must give a full U.K. residential address.

(5) Redemption of Latitudes Air Miles will be in accordance with Air Miles Travel Promotions Ltd's current terms and conditions. Redemption can only be made in favor of the person named on the statement or their spouse and/ or children residing at the same address featured on the statement.

(6) Participants will be responsible for any tax liability which they may incur arising out of the Air Miles Latitudes program.

(7) BA reserves the right to restrict certain promotional offers of Latitudes Air Miles to members of its Executive Club and/or to other Latitudes participants in selected geographical areas.

(8) Air Miles and/or Latitudes Air Miles will not be issued to participants claiming credit under any other scheme for the same journey.

(9) Latitudes Air Miles can only be credited for journeys on flights with a flight number prefixed BA.

(10) Latitudes Air Miles credits will be determined according to a schedule of rewards for each journey on a BA flight made using a single flight coupon. Except when otherwise stated, travel must be undertaken to qualify.

(11) The level of rewards and the fare types on which they may be earned will be as detailed by BA at its absolute discretion. Details may vary. Current details are available on request.

(12) Industry and Agency discounted tickets, complimentary or free tickets of any sort, this or any other scheme redemptions, Air Miles redemption tickets and any charter tickets are not eligible for Latitudes Air Miles.

(13) Rewards may not be redeemed until they appear on the statement issued to the participant.

(14) No retroactive credit of rewards is dependent on participants quoting their Air Miles Latitudes membership number to the reservations agent/travel agent at time of reservation and also to the check-in agent when checking in for such flights. Any claims for rewards will not be accepted except as provided in condition 18.

(15) In cases of dispute between participants and BA, BA reserves the right to require proof of travel from the participant, including but not limited to copies of ticket coupons together with boarding passes for flights claimed to have been flown. Such claims will not be considered beyond the second statement issued after the statement on which the disputed travel would have appeared.

(16) BA is the final authority on qualification for Latitudes Air Miles credit.

(17) If a participant is involuntarily rerouted on another carrier for reasons under BA’s control and the participant’s original BA flight would have qualified for Latitudes Air Miles, the participant may claim for Latitudes Air Miles credit by sending details, including ticket coupons and boarding passes, to the address shown below. Credits will not be awarded for flight cancellations or rerouting due to any condition beyond the control of BA.

(18) Air Miles and Latitudes Air Miles are freely combinable on redemption.

These terms and conditions are governed by English law.

TRANSATLANTIC ROUTINGS

[1] APPLICATION OF ROUTINGS

GENERAL. Routings are applicable only to the fares which make specific reference to them.

Locate in the routing the point of origin and the points of destination between which the fare applies. Apply only the portion of the routing which connects the origin and destination points by a dash or series of dashes and city codes.

The routing may be traveled via any or all of the cities named, unless otherwise restricted, or except as otherwise provided in individual routings, all or part of the applicable routing may be non-stop.

Where a routing number indicates more than one option applicable between the origin and destination points, any one of the options may be used.

Where a routing contains more than one option between any two intermediate points (indicated by brackets) only one of the options may be used for travel in the same general direction.

All routings are applicable in either direction, unless otherwise restricted.

For those routings permitting choice of carrier for carriage between the same points, only one of those carriers may be used.

Where a carrier or city string within a routing cannot be accommodated on one line due to space limitations the remainder of the routing will be shown with an alpha in parenthesis, for example, (A), (B), the continuation of the string will be at the bottom of the routing with the same alpha designator.

Where no carrier is indicated between two points, travel shall be limited to BA.
