

# British Airways is enhancing World Traveller catering with a multi-million pound investment

Customers will enjoy an exciting and expanded new menu, providing more quantity and quality to both meals and great snacking options throughout the flight.

The improvements include:

- Pretzels with the welcome drink
- Four-course meal with starter, entrée, dessert, cheese and biscuits, accompanied by a bread roll and bottle of water
- Second meal or substantial snack depending on the length of the flight
- Regional meal options served according to destination
- A new Magnum ice-cream service for day flights
- A 'help yourself' tuck box with chocolates and crisps for night flights
- Hot breakfast on longer overnight flights
- Graze movie-snack box for day flights with over 10 hour flight time
