THE LUXURY VACATION

LONDON IN STYLE®

NOVEMBER 1, 2003 - MARCH 31, 2005

River Thames

This City now doth, like a garment, wear
The beauty of the morning; silent, bare,
Ships, towers, domes, theatres, and temples lie
Open to the fields, and to the sky.

—Wordsworth

An exquisite breakfast, a cup of steaming tea, a morning walk

*beside the Thames; the river's gentle murmur carrying the verse of
Wordsworth, Blake, and Auden through the heart of London . . .*

Poetic London

British Airways® invites you to visit the city that inspired our greatest voices to song. Experience London in a style that surpasses expectations. Sip vintage wine as you are whisked across the ocean in privacy and comfort. Luxuriate in the incomparable elegance of the city's finest hotels. Discover the thrill and majesty of London.

Your London in Style experience is just a phone call away at 1.877.428.2228.

"And now the time returns again," wrote William Blake, his soul exultant at the site of London's magnificent towers.

Enchanting London

An afternoon massage at your favourite hotel spa — divine relief after a day exploring London's ancient spaces. You're reminded of the immense stillness within the magnificent dome of St. Paul's Cathedral . . .

London is alive with history. Where to begin?

Stroll past Buckingham Palace to see the storied guards, or wonder at the soaring medieval ceilings of Westminster Abbey. Marvel at the majestic Tower of London, then stop for a glass of wine near Tower Bridge.

Begin anywhere you wish . . .

Romantic London

You haven't felt this pampered and relaxed since — who knows when . . .

Your hotel makes you feel like royalty, and right outside the doors of your private palace the wonders of London line up to surprise and delight, from Regent's Park to Knightsbridge, from Covent Garden to the West End. You will find all the heart desires.

It's a shame there are only so many hours in the day.

*Candlelight, enchanting music,
a meal to remember after a day spoiling
yourself on Bond Street.*

Embankment

And down by the brimming river

I heard a lover sing

Under an arch of the railway:

"Love has no ending."

—W.H. Auden
