The nine member airlines of the **oneworld** alliance share a common goal; to make worldwide travel a smoother, more rewarding experience for you. With this in mind, **oneworld** has developed several unique global products that offer ease, flexibility and excellent value for money.

We're with you all the way - as an alliance we can offer you benefits that are beyond the reach of our individual networks

More people to support you - together **oneworld** employ over 260,000 people in over 130 countries. Our employees will be there to help you, on the ground and in the air, wherever your journey takes you in the **oneworld** network of over 550 destinations around the globe

Greater rewards for frequent flyers - you will earn miles in your particular programme whenever you travel on eligible flights and fares of the **oneworld** alliance airlines. Because our frequent flyer programmes have different names for their various membership tiers, **oneworld** has created their own set of symbols: **oneworld** Emerald, Sapphire and Ruby

Smooth transfers - greater emphasis is placed on service, in flight and on the ground, especially to passengers with onward connections

More value - **oneworld** Explorer product brings a new simplicity to planning round-the-world itineraries to your choice of over 550 destinations

Access to airline lounges - the **oneworld** alliance airlines provide over 340 lounges across the globe
