We are happy to provide our in-seat power adaptor for you to use during your flight. When you have finished using the adaptor, please return the case and its contents to a member of your cabin crew so it may be used by other customers. Alternatively we will collect these from you just before landing.

**CONTENTS**

1 x Inseat power adaptor

1x USB converter cable

10 x laptop power tips

**SUPPORTED DEVICES**

<table>
<thead>
