Westfield London: a sense of space

THE ULTIMATE DESTINATION

Westfield London is the capital's ultimate luxury shopping and leisure destination: the perfect place to shop, eat and meet. This architecturally stunning undercover environment is a showcase for four anchor stores: Debenhams, Next, M&S and House of Fraser, plus over 270 other luxury and high-street retailers such as Apple, Bershka, Hugo Boss, H&M, Zara and Topshop. And don't miss The Village, an exclusive shopping enclave that is home to over 40 sought-after brands such as Louis Vuitton, Burberry, Mulberry, Prada, Jimmy Choo, Tiffany, De Beers and many more.

As much an entertainment hub as a place to shop, there are 65 exciting eating concepts offering more than 25 styles and nationalities of cooking, as well as a state-of-the-art 14-screen Vue cinema.

Topped off with a wide range of Concierge services that you would expect from a top-quality hotel, a trip to Westfield London is not to be missed.

Exclusive shopping at The Village

With more than 40 luxury brands under one roof, The Village at Westfield London is the place to discover the best in designer fashion and lifestyle. The visually stunning environment offers the ultimate shopping experience for those who love to shop in style.

And it's not just for shopping. Searcys Champagne Bar, located in The Village, creates an intimate focal point: a place to meet and relax and take in the panoramic views of the world's leading fashion stores, including UK firsts and world-acclaimed names.

Take the iconic sweeping staircase to the first floor, admiring the cascading chandeliers, and enter another level of tempting food and fashion with Caff  Concerto and even more luxury fashion and accessory boutiques.

The Village is an ever-evolving space that cleverly combines shopping with culture. Events, exhibitions and fashion installations are hosted regularly in The Village to create an inspirational and culturally stimulating destination.

The Village: luxury shopping

Distinctive dining

Westfield London is as much a meeting hub as a place to shop and eat, with 65 exciting eating concepts offering more than 25 cuisines from around the world. A bustling cluster of 14 restaurants runs the length of Southern Terrace, the pedestrianised street of dining, while open cooking brings drama to the collection of 13 counters on The Balcony, where fresh food is prepared fast and to order. Several restaurants offer halal, vegetarian and kosher options on their menus. There are also grocery stores for picking up the finest British and organic produce, as well as gourmet retailers for those fabulous foodie gifts.

A Westfield welcome

Our dedicated multi-lingual Concierge team is always on hand to provide advice and arrange a host of services (see right). From booking a restaurant to advising you of train times, they will help to make your day a stress-free, five-star experience. If you are arriving by coach, you will be met by one of our Concierge team, who will hand out mall guides and other useful literature. You will also be given an introduction to Westfield London and be escorted into the centre.
