

## On Business for travel agents

### On Business booking instructions for travel agents using a CRS booking system

When you make a booking for a member company on a British Airways mainline or franchise flight, you will need to enter the On Business membership number following the instructions below:

The On Business number must be entered in an OSI field using one of the following entries (please leave spaces between letters where shown)

Booking system entries	
Amadeus entry	SK BTOB BA-/123456GB
Galileo entry	SI.BA*BTOB./123456GB
Sabre entry	3OSI BA BTOB./123456GB
Worldspan entry	3OSI BA BTOB./123456GB

1. Replace 123456GB with the actual On Business membership number.
2. If a traveller is a member of the British Airways Executive Club, please continue to include their membership details in bookings.
