DESTINATION WESTFIELD

Westfield shopping centres are situated in the world's most iconic cities and combine the best in fashion, food, entertainment and services.

Nowhere is this more evident than in London, which is home to not one, but two premier shopping destinations: Westfield London and Westfield Stratford City.

ECLECTIC SHOPPING

Both Westfield London and Westfield Stratford City house haute couture alongside edgy urban trends, encompassing catwalk fashions, high street favourites, plus home and lifestyle brands.

DINING IN STYLE

Foodies will be spoilt for choice as there is a huge selection of eateries, from high-end restaurants to laid-back cafés, showcasing global cuisine.

VIP SERVICES

Westfield takes service seriously. In both centres, our multi-lingual concierge teams are on hand with exclusive services ranging from Hands-Free Shopping to Same Day Hotel Delivery. Free Wi-Fi is available throughout and non-EU visitors benefit from tax-free shopping.

A LEISURE EXPERIENCE

The leisure and entertainment facilities are second to none, and include state-of-the-art cinemas, a bowling alley and a casino. New for 2015 is Kidzania at Westfield London, the UK's first educational entertainment experience where children can learn real-life skills in a child-size city.
