**FREE AND REDUCED FARE TRANSPORTATION FOR TOUR CONDUCTORS (Continued)****(D) APPLICATION FOR AND ISSUANCE OF TRANSPORTATION: (Continued)**

(2) The passengers included in the tour must travel as an organized touring group, and for that purpose the initial carrier must approve the itinerary of the various passengers forming the group and coordinate their transportation under the advertised group tour. All members of the group shall with respect to the air portion of the tour, commence transportation on the same airplane and shall,

- (a) If round trip passengers, travel together to the point of turnaround;
- (b) If circle trip passengers, travel together to the first point of stopover; provided that where lack of seating accommodation or where other operating conditions prevent passengers from commencing transportation on the flight scheduled, the carrier will transport some members of the group on the next preceding or succeeding flight on which space is available or on such flight of another carrier.

**EXCEPTION:**

Where passengers are transported over the lines of one or more carriers from more than one departure point within a country to an assembly point for the purpose of an advertised group tour, the passengers will be considered to be traveling together and the tour conductor will be accorded free or reduced fare transportation between his departure point and the assembly point, subject to the following conditions.

- (i) The tour conductor and all passengers travel together from the assembly point to the point of turnaround, if a round trip, or to the first point of stopover if a circle trip;
- (ii) All such passengers and the tour conductor travel between the departure points and the assembly point within a period of seven days prior to the scheduled departure of the entire group from the assembly point;
- (iii) At least one passenger of the group travels from the same departure point as the tour conductor to the assembly point on the services of the carrier transporting the tour conductor;
- (iv) Where the total number of passengers traveling between one or more departure points and the assembly point is 10 or more, but less than 15 the tour conductor will receive a reduction of 50 percent of the applicable fare, and where the total number of passengers traveling between one or more departure points and the assembly point is 15 or more, one free transportation passage for a tour conductor will be issued for each 15 passengers; provided that:
  - (aa) If the tour conductor travels from a departure point to the assembly point on the services of the carrier transporting the group from the assembly point onwards the qualifying number of passengers referred to above may travel from the departure points to the assembly point on the services of any carrier, subject to the provision of (C) above
  - (bb) If the tour conductor travels from a departure point to the assembly point on the services of a carrier who does not transport the group from the assembly point onwards, the qualifying number of passengers referred to above shall all travel from the departure points to the assembly point on the services of such carrier, subject to the provision of (C) above.

(3) Upon determination that the application meets the requirements of this rule, the initial carrier will advise the agent or organizer that the tour conductor's transportation - either free or at the reduced fare, as the case may be - will be issued by each carrier in the itinerary, and the initial carrier will notify each carrier which has indicated that it will participate. In cases where two or more carriers may have arrangements between them for the issuance of tour conductors transportation, the initial carrier will issue such transportation on all such carriers.

(4) In obtaining approval to accept free or reduced fare transportation of a tour conductor as provided herein, written authorization must be given by one of the authorized officials of the carrier(s) furnishing the transportation.

**(E) BAGGAGE, MEALS AND TRANSFERS**

Free baggage allowance for a tour conductor will be the same as if he were traveling at the normal adult fare. The reduction for a tour conductor is applicable only to air transportation and will include meals, hotel accommodations, and ground transfers only where included in the normal air fare. In no case will the reduction apply to any other charges or services, such as charges for excess baggage.
