

Language Programmes

Secondary schools

Languages in the Workplace for Secondary schools

Languages available : French, German & Spanish

Timings : 10:15am - 2:15pm

Year groups : 9, 10 & 11

Workshops are aimed at improving confidence in communicating in French, German or Spanish using the mock aircraft to help simulate a real workplace environment. Emphasis is put on communication above accuracy & the role of languages in the workplace is examined through a variety of interactive activities including a tour of BA's Headquarters.

British Airways Language Flag Award: Year 9 & above / native speakers from abroad

The British Airways Flag Award is a vocational language exam originally created for British Airways frontline staff. It has been adapted to complement GCSE coursework and is available in 18 languages. Ideally suited to gifted year 9 students and above or students from abroad, who are placed in English schools. The scheme is available nationwide. For more information go to:
